

**Neuroendocrine Cancers – A “NET” Update from  
Prof. Mark Strachan  
Wednesday 12<sup>th</sup> April 2023  
13:30pm – 15:30pm  
Liberton Kirk Centre,  
Kirkgate, Liberton, Edinburgh, EH16 6RY**

To mark the recent merger of The Ann Edgar Charitable Trust with our UK partners Neuroendocrine Cancer UK we are pleased to announce our first event under the new arrangements!

We are delighted to invite you to attend a presentation by Professor Mark Strachan, Consultant in Diabetes and Endocrinology at the Metabolic Unit in Edinburgh’s Western General Hospital. Mark will be giving an update on the treatment and administration of Neuroendocrine Cancers in Scotland, with a particular focus on NETs.

The event will be held at a new venue for us, the **Liberton Kirk Centre** in Edinburgh. Although the Centre has limited parking there is on-street parking in the local area, and the venue is well served by city buses.

The event will start at 13:30 and will be followed by a Q&A session. Refreshments will also be available.

The event is open to all patients across the country. There is no charge for attending the event, and patients may also bring one guest free of charge. It will be helpful to know who is attending, so if you do plan to be there, please let us know (before Monday 10<sup>th</sup> April please) by either:

1. Dropping an email to me at: [daviddrummond@blueyonder.co.uk](mailto:daviddrummond@blueyonder.co.uk) with the names of those of attending
2. ...or by returning the slip below in the post.

We look forward to seeing you at the event.

*David J Drummond*  
**Edinburgh Group Co-ordinator  
Neuroendocrine Cancer UK**
